Dear Valued Patient,

As a Medicare Beneficiary you are eligible for CHRONIC CARE MANAGEMENT. This service has become ESSENTIAL for seniors due to the rise in Covid statistics. I firmly believe senior citizens need to take their healthcare into their own hands. I highly encourage you to consider this program. For further information on this program go to www.cms.gov. Let us at Barbara Lubin MD be available to help you accomplish your medical goals. This program consists of many NON-FACE-TO-FACE SERVICES listed below.

As part of this service OUR TEAM will work to provide you with the following:

- Create a Comprehensive Care Plan available to you and your Caregiver
- Review and track all Medications, Allergies and Reactions to Medications and remind you when Preventive Care Services Are Due
- Coordinate and communicate with other Health Professionals outside of this office in accordance with State and Federal Privacy Laws
- Barbara A. Lubin, MD or a member of her Team will be accessible 24 hours a day, 7 days a week to help you with URGENT CHRONIC CARE NEEDS.

If you have any questions about this program or feel you cannot participate, please contact our office. For your convenience attached is a consent form to return to us as soon as possible so we can enroll you in the program before your next scheduled visit.

Thank you.
